## SHIPLEY ART GALLERY

**This fine example of Edwardian architecture houses a variety of beautiful art, design and crafts.**

With its original features and wonderful displays, very little decoration is needed to add to the grandeur of the gallery. The main gallery space, which displays a variety of treasures from the Shipley collection, can be hired exclusively for wedding ceremonies, drinks receptions and wedding breakfasts.

The smaller side galleries are also licensed for more intimate ceremonies and can be used as an alternative space for drinks receptions.
